AN INTRODUCTION TO OUR AWARDS

**WE ARE PROUD TO PRESENT
THE MHEA AWARDS
CELEBRATING THE
SUCCESES AND
ACHIEVEMENTS OF
COMPANIES AND INDIVIDUALS
WORKING WITHIN THE BULK
MATERIALS HANDLING INDUSTRY**

Free to enter, the awards are open to companies or individuals who have made an outstanding contribution to the bulk materials handling industry during 2022/2023. From ports, power and mining to steel and cement, and everything in between – we want to hear from you.

Application is easy. Simply complete the online awards entry form and submit before the closing date of 1st September 2023.

We look forward to recognising the talent and creativity within our industry and the world-class capabilities

MAKING A DIFFERENCE

The Materials Handling Engineers Association works to support the interests of companies supplying and using bulk handling materials worldwide.

The Association is proud to support the technical and commercial interests and offers businesses, suppliers and users of bulk handling materials the opportunity to tap into a unique technical marketing knowledge base and share good practice.

Your support and activities make a real difference, and these awards celebrate and recognise your achievements.

AWARD CATEGORIES

The awards are divided into the following categories:

INNOVATION AWARD

An award for the introduction of new technology or improved solution in the bulk materials handling industry.

YOUNG ENGINEER OF THE YEAR

This award seeks to acknowledge and celebrate a young persons exceptional progress and their contribution to their workplace during their employment.

PROJECT OF THE YEAR

An award acknowledging a project which has achieved significant success through effective management, sustainability and delivery approaches. Awards are considered for projects demonstrating excellence, regardless of size in the bulk materials handling industry.

SUPPLIER OF THE YEAR

An award recognising exemplary service, performance, recognises sustainability and customer commitment by a supplier in the bulk materials handling industry.

ENGINEER OF THE YEAR

This award seeks to acknowledge and celebrate an Engineers' exceptional qualities and their contribution to their workplace. To enter applicants must have worked within bulk handling within the last 12 months.

SUSTAINABILITY AWARD

An award recognising a company which can demonstrate recognition of their net zero journey in the industry.

HAROLD WRIGHT AWARD

The Harold Wright Award will be awarded to the individual or company who the judges consider having made an outstanding contribution to the Bulk Materials Handling Industry.

HOW TO ENTER

Entry is open to any company or individual who has made a contribution to the bulk materials handling industry.

To enter the awards, please complete the entry form and submit online no later than 1st September 2023. Shortlisted entries will be announced late in September 2023.

AWARDS CEREMONY

Winners will be announced at our Gala Awards Dinner on Tuesday 17th October 2023.

The Awards Dinner will be held at Chesford Grange, Warwickshire. It promises to be a fantastic event, bringing together a host of organisations and colleagues within bulk materials handling. We hope you can join us - to book a place or a table to entertain your colleagues or clients, please contact the Secretariat on **01257 412635** or complete the booking form.

YOU MAY ENTER MORE THAN ONE CATEGORY. PLEASE SUBMIT A SEPARATE FORM FOR EACH AWARD
