

JOIN US

Join us for **BULKEX 24**: With a pronounced technical emphasis, the conference is focusing on current and impending opportunities and achievements in the bulk materials handling industry.

The two-day event on 15th & 16th October 2024 has a packed programme of inspiring speakers planned to deliver insights on topical technical issues and pending projects.

The subjects covered will appeal to professionals and organisations from across the bulk materials handling industry, as well as associate fields such as mining, ports, transport, power, biomass, waste to energy and cement.

Organised by the Materials Handling Engineers Association (MHEA) – which works to support the interests of companies supplying and using bulk handling equipment around the world, **BULKEX 24** is the must-visit technical conference to include in your calendar.

THE VENUE FOR 2024

Chesford Grange located in Warwickshire brings this premier event to the Midlands for convenient access from all parts of the UK. This historic manor houseotel is within easy reach of the M40 and M69 and just four miles from the famous Warwick Castle. Delegates can book overnight accommodation at Chesford Grange along with a seat or table at the Awards Dinner.

AWARDS

An evening awards ceremony, celebrating the best in materials handling, will take place on the evening of Tuesday 15th October 2024. Categories are the Sustainability Award, Young Engineer of the Year, Project of the Year, Engineer of the Year, Innovation Award, Supplier of the Year, Exporter of the Year and the prestigious Harold Wright Lifetime Achievement Award.

EXHIBITION AND SPONSORSHIP

In addition, both days will host a supporting exhibition, with around 40 companies showcasing their products and services. The awards and seminars offer numerous sponsorship opportunities for companies to promote their brands in front of potential customers. Those interested in exhibiting or sponsorship should call Linda White on **01257 412635** or email secretary@mhea.co.uk

As well as not to be missed seminars, BULKEX 24 offers unparalleled networking opportunities, bringing together senior executives and colleagues from across the materials handling industry
