Join us for BULKEX 25

The two-day event on 14th & 15th October 2025 has a packed programme of inspiring speakers planned to deliver insights on topical technical issues and pending projects.

The subjects covered will appeal to professionals and organisations from across the bulk materials handling industry, as well as associate fields such as mining, ports, transport, power, biomass, waste to energy and cement.

Organised by the Materials Handling Engineers Association (MHEA) – which works to support the interests of companies supplying and using bulk handling equipment around the world, BULKEX 25 is the must-visit technical conference to include in your calendar.

THE VENUE FOR 2025

Chesford Grange located in Warwickshire brings this premier event to the Midlands for convenient access from all parts of the UK. This historic manor house hotel is within easy reach of the M40 and M69 and just four miles from the famous Warwick Castle.
